

Our beef burgers are a 6oz hunk of well aged grass fed beef, hand 'smashed'. Creating the best, crispy caramasliation of beefiness on the outside, leaving all the dripping filthy goodness on the inside. We use only the finest and filthiest ingredients we can lay our hands on locally. All our beef burgers come with American and Swiss cheese ( unless otherwise stated ), every burger comes with fries with the option to upgrade to a simple or dirty side.
